### **Executive Director's Report - Donna Hancock, Interim Executive Director**

Ms. Hancock presented the following information to the Commission for review:

- **Complaint Statistics Report (Exhibit 6)** – TREC has a total of 444 open complaints. There are 48 new complaints since the June meeting. There are 368 complaints in the legal department and 76 open complaints in the TREC office awaiting response. The total number of closed complaints for the current Fiscal Year is 282.
- **Policy discussion for E&O non-compliance** – There was a discussion concerning disciplinary measures that may be taken against licensees who have not complied with the Commission's Errors & Omissions policy. Chairman Haynes suggested that staff attorney Ryan Bane draft a policy (**Exhibit 7**) stating that a Consent Order will be sent to the Principal Broker for \$1000.00 per uninsured licensee in the firm.
- **Discussion of East Tennessee Commission meeting** – There was a discussion of accommodations and venues for the East Tennessee Commission meeting. Vice-Chairman Stephenson and Commissioner Flitcroft will visit some facilities in the Knoxville area and report back to staff.
- **Longevity Award Program** – There was a discussion regarding possible venues for the Longevity Award breakfast.
- **TREC Manuals** – At the June 2007 meeting, it was suggested by Commissioner Cunningham that TREC mail the manuals to new licensees when we mail their new license. After discussing this possibility with General Services, Ms. Hancock read an email from DeAnn Demonbreun (**Exhibit 8**) to the Commission stating that General Services does not have the ability to mail the manual with the license to new licensees. General Services advised Ms. Hancock that they cannot do a mixed media mailing. It was decided that the new manuals should be printed in November or December if the new rule and 2007 law changes have been made.
- **Mississippi Real Estate Commission** – Ms. Hancock read to the Commission two letters (**Exhibit 9**) from Cindy Rice Grissom of Rice Insurance concerning an issue regarding Mississippi not accepting Tennessee's two year E&O Policy for applicants applying for a Mississippi license by reciprocity with Tennessee. There was a discussion of possible solutions to this issue. Chairman Haynes suggested that the discussion be deferred until the next day to explore administrative options.
- **Legislative Recommendation Process 2008 (Exhibit 10)** – There was a discussion of possible recommendations for law changes that require legislative action. Currently TREC requires that licensees send their renewal payment

sixty days prior to their expiration date. Ms. Hancock suggested that this law be removed because it is not enforceable under the staggered renewal cycle. Staff attorney Ryan Bane agreed and made another suggestion, that the law regarding disciplinary actions that may be taken against Principal Brokers be modified so that the Commission may enforce new policies addressing failure to supervise affiliates. **Vice-Chairman Stephenson made a motion that Ms. Hancock and Mr. Bane be granted the authority to compile the recommendations for law changes requiring legislative action and forward them on to Assistant Commissioner Sullivan; seconded by Commissioner Collins; Motion Carried.**

- **Travel Policy** – Ms. Hancock presented to the Commission the travel policy for 2008 for the Department of Commerce and Insurance (**Exhibit 11**). The ARELLO regional conference in New Orleans was discussed. Chairman Haynes will be representing the Commission at the ARELLO regional conference.

The Commission recognized Ms. Hancock's service as Interim Executive Director of TREC.

Commissioner Northern suggested that administrative changes be made to the process for transferring licenses and upgrading and downgrading Principal Brokers thereby servicing the licensees more efficiently.

**The Tennessee Real Estate Commission recessed at 4:20 p.m.**
